

# VILLAGE OF METAMORA

## CHRISTMAS PARADE OF LIGHTS

The Village of Metamora will be holding its annual **CHRISTMAS PARADE OF LIGHTS** on Sunday, December 15, 2024, at 5:30 pm.

Use your imagination and enter anything you can put Christmas lights on. Be creative! You can illuminate lawn mowers, tractors, trucks, wagons, bicycles, floats, fire trucks or anything else you can attach lights to.

**Following the parade, visit Santa at The Metamora Fire Department. The Evergreen Community Library will be passing out books to the children. Cookies and hot chocolate will be served by the Village of Metamora in front of the Village Office during the parade and at the firehall following the parade.**

*To submit an entry, please contact the Village office  
Monday-Thursday: 8am - 4pm at (419) 644-2051 or print off an entry from the Village website:  
<https://metamoraohio.org/applications.html>.*

You may also register the day of the parade at the lineup location but it's helpful to the staff if you register early.

If you love light parades, head to the **Village of Lyons for their Christmas Parade on Saturday, December 14, 2024, at 5:30 pm.** For more details, visit the Village of Lyons website at [Calendar - Village of Lyons, Ohio \(lyons-ohio.com\)](#)
